

Your guide to making the most of your **Massage Envy** membership

Membership benefits

Monthly wellness session

Receive one 60-minute body or skin care service of your choice each month, whether you prefer massage, skin care, or assisted stretch.

Additional service discounts

Enjoy discounted rates on additional services compared to the non-member rate, including massages, facials, and more.

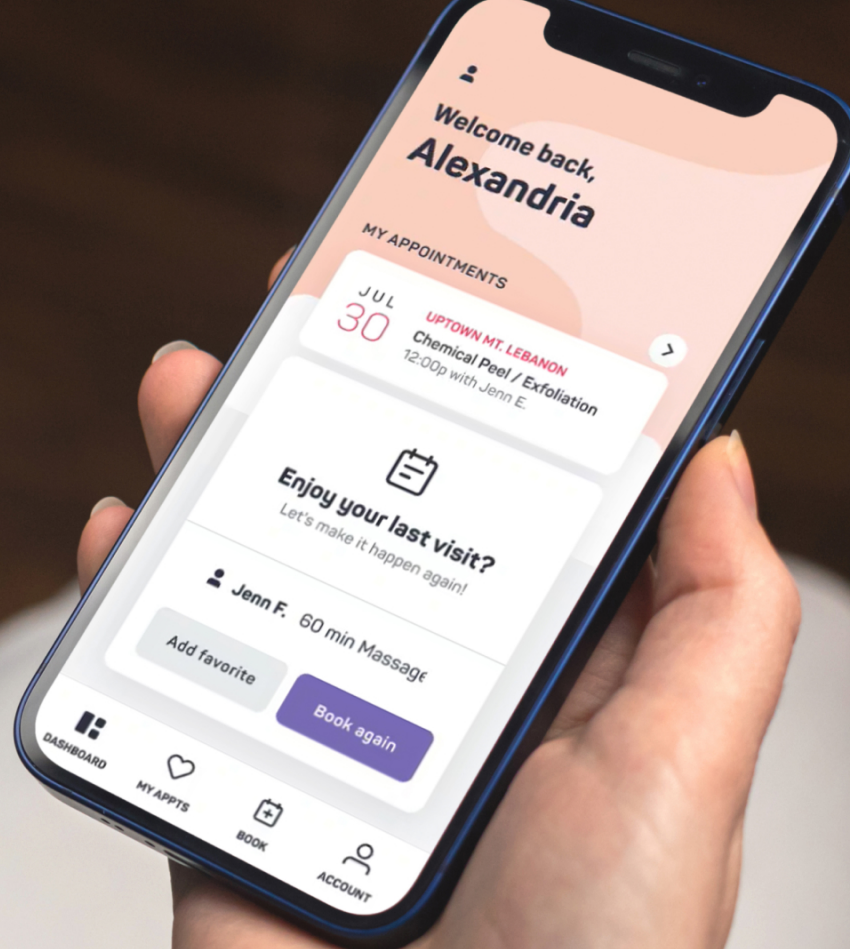

Accrued Wellness Sessions

Busy month? Unused Wellness Sessions can accrue (provided you remain an active member), so you don't need to miss out on the care you deserve.

Member-exclusive offers

Access discounts on professional-quality products to extend the benefits of your services at home.

How to book your services via the Massage Envy app

Booking your next session is simple and stress-free with the Massage Envy app. Follow these easy steps to schedule your services and take full advantage of your membership:

Download and log in

1

- Download the Massage Envy app from your device's app store.
- Log in using your membership account credentials. If you're new to the app, set up your account by following the quick registration instructions.

Select your service

2

- Navigate to the "Book" section to browse the available sessions, including massages, facials, assisted stretch sessions, and advanced skin care services. (Facials and other skin care services are available only at participating franchised locations.)
- Unsure of what to choose? Each service features a brief description to help you decide.

Pick a location

3

- Use the app's location finder to select a Massage Envy franchised location near you.
- Save your preferred location for quicker bookings in the future.

Choose your provider

4

- Select your preferred massage therapist or esthetician, or let the app assign you to the best match based on availability and your preferences.

Schedule your appointment

5

- Select your desired date and time.
- If you have a specific time slot or provider in mind, book in advance to secure your spot.
